

**MOLESKINE FOUNDATION AND EDT&PARTNERS COME TOGETHER TO INSPIRE A NEW GENERATION OF
CREATIVE THINKERS AND DOERS**

We are glad to announce our partnership with EDT&Partners, the purpose-driven consulting firm dedicated to imagining, inspiring and improving education.

EDT&Partners and Moleskine Foundation share a deep commitment to leveraging the power of creativity for social change to ensure that everyone, especially the most marginalized, has access to creative tools and skills to lead a more fulfilling life.

This partnership will expand and deepen the Moleskine Foundations work by providing critical analysis of the key trends and digital solutions with the greatest potential to propel or work towards the future. Additionally, through EDT's extensive network, this partnership will help to diversify and extend our reach to key stakeholders working across local, national and international levels.

About EDT&Partners

EDT&Partners is a global, purpose-driven consulting firm dedicated to imagining, inspiring and improving education.

They help companies, startups, NGOs and governments in the education space consolidate their international presence, accelerate digital transformation, grow strategically into new territories, connect with strategic partners and support plans for mergers and acquisitions.

The firm is made up of an international and diverse team of industry recognized experts, with a presence on four continents and extensive experience in the education and technology sectors. The unique perspectives of the team provide EDT with a global vision and great knowledge of local environments.

About Moleskine Foundation

The Moleskine Foundation is a non-profit organization that pursues a mission of "Creativity for Social Change." A central belief is that creativity is key to producing positive change in society and driving our collective future. Its focus is to inspire, empower and connect young people to transform themselves and their communities. To do so, the Foundation implements a set of unconventional educational programs that unlock the creative potential and develop a changemaking attitude in youth. The Foundation enables collaborative processes to generate spaces where criticality and imagination can occur. It is done through the development of a global platform of cultural and creative partner organizations operating in the field of creativity for social transformation.
